

## Sponsorship

**BRING ON THE SUMMER FEST** is May 25, 2024 at River Bottom Park. Activities in Montrose from 11:00 am-5:00 pm. This festival will highlight summer activities, sports and programs for our youth to participate in during the event as well as throughout the summer. There will be over 20 stations with kid and adult outdoor activities plus music, sweet treats, food and drinks. Top of the hour competitions will include duck races, pie eating contest, frozen t-shirt contest, life jacket scramble, hip hop/dance demos, wave surfing demos. The event will include a regional skateboard competition, and disk golf/cornhole/ basketball tournaments, a DJ, live music by **One Takers**, and a local youth jam session.

This festival is a primary fundraiser for Friends of Youth and Nature (FOYAN) in Montrose and Ouray Country. Funds will cover the costs of getting more kids outside in coordination with staff from Colorado Parks and Wildlife, Montrose Recreation District and other partners. Time outdoors has been proven to help kids build confidence, resilience, promote healthy lifestyles and develop skills for problem solving. The funds will also:

- ✓ Help cover the cost of bus transportation for Montrose/Ouray County School District field trips,
- ✓ Provide scholarships for underserved youth (CASA 7jd, Partners, Black Canyon Boys and Girls Club, Haven House for the Homeless) and other community youth for camps, field trips and nature learning events,
- ✓ Expand the free outdoor gear library items available for youth partners of Friends of Youth and Nature in Montrose and Ouray Counties.

*We need your help for the success of this first annual outdoor festival.*

*Show our community you are **ALL IN** to get more kids outside promoting active, healthy lifestyles.*
